Get To Know My Child

Dear Teacher,

We wanted to take this opportunity to help you get to know **{child's Name}** better. **I/We** want **{Child's Name}** to be happy and to feel secure this school year. **I/We** would like to request your help in encouraging my child to reach ***his/her*** goals and potential as well as helping ***him/her*** believe in ***him/herself***. The more you know about my child, the more successful she will be in school.

Most of **{Child's Name**} challenges are due to his/her diagnosed A**DHD and executive function deficits**:

- Daydreaming
- Finds it hard to get started and finish work
- Forgets homework assignments
- Forgets to turn in homework
- Weak written expression – finds it hard to get ideas onto papers and organize thoughts

- Difficulty memorizing math facts, completing complex multistep problems or directions

Strategies that Have Worked Well In The Past:

- XXXX
- XXXX
-

Please know we are available at any time to discuss any issues my child is experiencing in class and look forward to a positive learning experience while in your class.
